ENCON 2022

STATE LEVEL INTER SCHOOL COMPETITION *For all the Energy Clubs in Sikkim*

ENCON 2022

Inter-school competition by Power Department, SDA complete

Gangtok, 14th December: ENCON 2022- A State Level Inter School Competition across all schools with Energy Clubs was held on 14th December 2022 at Ramada Hotel, Deorali on the occasion of National Energy Conservation Day. The event was organized by Power Department, a State Designated Agency under the aegis of Bureau of Energy Efficiency.

The event graced by **Shri. Ganesh Chettri, P.C.E cum Secretary, Power Department as the Chief Guest**, also had the presence of officials from Power Department, teachers and students of 22 schools across six districts of Sikkim.

On the occasion National Energy Conservation Day, **Shri. Pemba Lepcha, Additional Chief Engineer cum Nodal Officer (SDA)** emphasized on the important role that students have in sensitizing our community with the aim of conserving energy as such aiming for a sustainable future and hence declared the event open.

After a month long District Level Competitions held in all six districts, the program finally witnessed the finale of five different events: Poster Making, Essay Writing, Poetry, Quiz and Skit Competition. A total of 55 schools had competed out of which 22 schools were present for the Finals.

With the competition nearing its peak conclusion, a flashcard on energy conservation was also released which would be circulated in schools in the coming year. The event had a blessing speech from **Hon'ble Chief Guest Shri Ganesh Chettri** who congratulated the students and encouraged them to conserve energy. The event was concluded with a vote of thanks by **Smt Sigratha Pradhan, Executive Engineer** and prize distribution ceremony.

The results of the finals were as follows:
