# ENERGYZED 2022

Inter School Energy Conservation Quiz Competition

Date: 05.04.2022 | Venue: State Library, Gangtok

ORGANIZED BY  
State Designated Agency(SDA)

# **ENERGYZED 2020 INTER-SCHOOL QUIZ COMPETITION**

Power Department, Government of Sikkim, which is the State Designated Agency [SDA] for Energy Conservation for Sikkim organized an Inter-School Quiz competition on energy conservation at State Central Library premises in Manan Kendra on 13th April, 2022.

**A total of six schools namely Paljor Namgyal Girls School, TNSSS, Tashi Namgyal Academy, Tadong Senior Senior Secondary School, Deorali Senior Secondary School, Enchey Senior Secondary School participated in the quiz competition.**

**Tashi Namgyal Senior Secondary School emerged as the winner of the Quiz Competition 'ENERGYZED 2022'** Likewise, Enchey Senior Secondary School stood on the second position and Deorali Girls Senior Secondary School on the third position.

The quiz was hosted by Dewaker Basnet from 24 Hours Inspired as the quiz master.

The quiz competition of five rounds had four rounds of questions related to the topic and one round of general knowledge. The entire competition has been video recorded and will be telecast through different mediums.

The winning team received a cash prize of Rs 10,000, while the cash prize of Rs 7,500 was given to the first runner-up and Rs 5,000 to the second runner-up team.

**Chairperson of Sikkim State Electricity Regulatory Commission [SSERC], Shri. KB Kunwar was present as the chief guest of the competition.**

The Chief Guest of the event, Shri. KB Kunwar congratulated the Department for conducting a lively and engaging event and also suggested that events like these should further highlight the aspects of power conservation. He also advised that more events like these should be conducted for better awareness amongst the stakeholders.

He expressed that the main objective of the competition is to create awareness on the importance and significance of energy conservation. He added that with the increasing demand of energy consumption across the world it is very important to educate the people on the proper and wise utilisation of energy for its conservation.

The State Power Department is the State Designated Agency for Sikkim and the SDA has been reaching out to the people and students across the State by creating awareness on energy conservation through different activities.

A small change in the daily habits and lifestyle in day-to-day life can help in energy conservation so the department wants to educate the people through different activities.

### ENERGYZED 2020 INTER-SCHOOL QUIZ COMPETITION

Power department, Government of Sikkim, which is the State Designated Agency [SDA] for Energy Conservation for Sikkim organized an Inter-School Quiz competition on energy conservation at State Central Library premises in Manan Kendra on 13th April, 2022 (Wednesday).

A total of six schools namely Pajor Namgyal Girls School, TNSSS, Tashi Namgyal Academy, Tadong Senior Senior Secondary School, Deorali Senior Secondary School, Enchey Senior Secondary School participated in the quiz competition.

Tashi Namgyal Senior Secondary School emerged as the winner of the Quiz Competition 'ENERGYZED 2022'. Likewise, Enchey Senior Secondary School stood on the second position and Deorali Girls Senior Secondary School on the third position.

The quiz was hosted Dewakar Basnet from 24 Hours Inspired as the quiz master.

The quiz competition of five rounds had four rounds of questions related to the topic and one round of general knowledge. The entire competition has been video recorded and will be telecast through different mediums soon. The winning team received a cash prize of Rs 10,000, while the cash prize of Rs 7,500 was given to the first runner-up and Rs 5,000 to the second runner-up team.

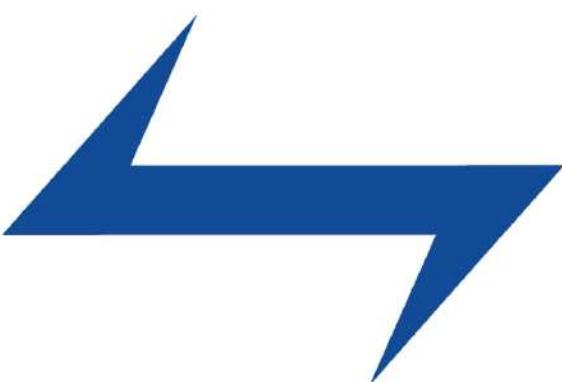

Chairperson of Sikkim State Electricity Regulatory Commission [SSERC], KB Kunwar was present as the chief guest of the competition.

Power Department Chief Engineer, Jigme Namgyal mentioned that with relaxation in the covid protocols the inter-school quiz competition has been started with schools in Gangtok and will reach out to other schools of the State in days to come.

He expressed that the main objective of the competition is to create awareness on the importance and significance of energy conservation. He added that with the increasing demand of energy consumption across the world it is very important to educate the people on the proper and wise utilisation of energy for its conservation.

Mr Namgyal mentioned that the State Power Department is the State Designated Agency for Sikkim and the SDA has been reaching out to the people and students across the State by creating awareness on energy conservation through different activities. He added that energy conservation is a prime concern in current times for the department.

He further said that students are always the best medium to spread message and awareness among the masses. A small change in the daily habits and lifestyle in day-to-day life can help in energy conservation so the department wants to educate the people through different activities, he added.
